IN listening to the speakers tonight, I heard support for the project for the sake of the people trying to get to work, for San Rafael residents who wish to enjoy their City, for travelers on 101 for whatever reason. And I heard the need for urgency - it has been too long!

From one of another group who is deeply affected - owners of property on Lincoln and Brookdale, I also support the project and I especially reiterate the need for urgency! It has been too long. Please get the waiting over.
