FOR IMMEDIATE RELEASE

## **ELECTRICAL WORK ON 1/2-MILE OF EASTBOUND HIGHWAY 68 (HOLMAN HIGHWAY) IN PACIFIC GROVE--BEGINS THURSDAY**

MONTEREY COUNTY—Crews will be working alongside a contractor on a two-day electrical project along a 1/2-mile section of **eastbound** Highway 68 (Holman Highway) between David Avenue and Prescott Lane in Pacific Grove, starting Thursday, June 2, Caltrans officials have announced.

Roadwork will consist of alternating lane closures from 7:30 am to 4 pm Thursday, June 2 and on Friday, June 3. One lane will remain open at all times. Motorists can expect delays not to exceed 15 minutes. Electronic message signs will be posted alerting motorists of the work and the CHP will assist with traffic control.

The electrical roadwork consists of cutting traffic loops into the asphalt to better assist with the flow of traffic through these intersections. Roadwork should be completed by Friday, June 3.

The contractor for this \$13,000 electrical project is Lee Wilson Electric of San Luis Obispo, CA. The Monterey Electrical crew will be present to assist the contractor.

**Caltrans reminds motorists to move over and slow down when driving through highway work zones.**

For more information on this project and for traffic updates on other Caltrans projects in Monterey County, residents can call the District 5 toll free number at 1-831-372-0862 or can visit our website at: <http://www.dot.ca.gov/dist05/paffairs/release.htm#mon>.
