PAVEMENT REPAIRS OF U.S. HIGHWAY 101 NEAR SAN MIGUEL THIS WEEK

SAN LUIS OBISPO COUNTY – An emergency project to repair the No. 2 (right) lane of **southbound** U.S. Highway 101 from the South Camp Roberts Overhead to the North San Miguel Overcrossing is now underway.

Concrete pavement slabs were damaged from recent storms. As a result, the No. 2 **southbound** lane of US Highway 101 will be closed 24/7 until these repairs are completed on Friday, Jan. 15, weather permitting.

Motorists will encounter the closure of the **southbound** US Highway 101 on ramp at San Miguel Avenue/South Camp Roberts Gate from 7 am until 5 pm and the **southbound** US Highway 101 off-ramp at North Mission Street from 7 am until 5 pm on Thursday, Jan. 14 and Friday, Jan. 15. The main gate to Camp Roberts will remain open at all times.

A permanent repair of 4.5 miles of US 101 in this area near San Miguel will begin this spring.

The contractor for this \$281,000 project is CalPortland Construction of Santa Maria, CA. Motorists can expect minimal delays during this roadwork.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.
