## **CALTRANS TO PERFORM MOBILE SCAN SURVEY ON HIGHWAY 1 IN SANTA CRUZ COUNTY**

SANTA CRUZ – Caltrans will perform a mobile scan survey of Highway 1 from south of Bonny Doon Road to north of Ocean Avenue on Wednesday, Sept. 7. These surveys will occur every 75 feet between 9 am and 3 pm in the following locations.

- Motorists will encounter alternating 30 minute lane closures in both directions of Hwy. 1 adjacent to the parking area at Panther Beach.
- Motorists will encounter a 20 minute lane closure of southbound Hwy. 1 and the turn lane near the parking area at Davenport Beach.

Electronic message boards will be posted to alert motorists of this roadwork. This mobile scan operation allows Caltrans crews to safely conduct topographic surveys of the edge of the pavement and the centerline of the highway from their vehicle.

**Caltrans reminds motorists to move over and slow down when driving through highway construction zones.**
