PAVEMENT OVERLAY PROJECT ON HIGHWAY 152 ALONG WATSONVILLE BEGINS MONDAY

SANTA CRUZ COUNTY – Crews will begin roadwork on a two-mile pavement overlay project along Hwy. 152 from the Hwy. 152/Hwy. 1 separation to Holohan Road in Watsonville beginning Monday, May 4, Caltrans officials have announced.

Roadwork consists of alternating lane closure in both directions and work hours are Monday through Thursday from 8 am to 4 pm and Friday from 8 am to 2 pm. Motorists can expect a delay not to exceed 15 minutes. Work is expected to be complete by the end of July.

The purpose of the project is to improve roadway smoothness and extend the service life of the pavement.

VSS International from West Sacramento, CA is the contractor for this \$800,000 project.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.
