3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
5) All teeth over one complete set will be charge to the contractor.

11) The above price does not include permits, fees, bonding, state or local taxes.
12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.

One in Ten U.S. Construction Workers

Continued from page 1

global industrial contractor says, "There is a huge skilled international workforce from India and the Philippines that has filled the industry's jobs in the Middle East and Africa for the past decade. Today, this workforce is being lured to countries like Australia, Chile and Canada where they can increase its salary tenfold. This is starting to have an impact on international companies' ability to staff their work in lower-paying regions of the world."

The Workforce Collaborative

Continued from page 3

The Workforce Collaborative provided the initial home for BACSIC, the Bay Area Construction Sector Initiative Collaborative, a group of community-based organization and educational institutions, promoting the training and hiring of local residents into the construction trades on local public construction projects. The Workforce Collaborative continues to participate in the local hire initiatives of the City of Oakland as well as the Port of Oakland's Maritime and Aviation Project Labor Agreement (MAPLA).

The Workforce Collaborative has also had ongoing collaborative relationships with Adult Education. In its early years, Oakland Adult Education classes for GED, Computer Literacy, Customer Service, Front Office Medical staffing, as well as Contextualized Basic Ed and Digital Literacy for warehouse operations, were provided at TWC's office.

In 2008, TWC began its partnership with the College of Alameda and industry partners in the creation of ATLAS (Alameda Transportation and Logistics Academic Sector Initiative).

In 2009, along with the East Bay Asian Local Development Corporation (EBALDC), Women's Initiative for Self-Employment (WISE), Operation Hope, and LIFETIME, TWC joined with the United Way of the Bay Area to create SparkPoint Oakland. Located at Coliseum Gardens in East Oakland, Sparkpoint provides financial stability services to community residents.
