Subject: Construction Project fwy 41 and 145

Hello Majid,

Per our last conversation regarding the aforementioned project, The Water Division will not be able to allow the use of potable drinking water for this project. Please be advised, Non Potable water will be available June 15th at the Wastewater facility located approx.. 1 mile West of 5607 W. Jensen. If you have further questions, please contact Conrad Braganza @ Conrad.Braganza@fresno.gov

Best Regards,
