

1-14 REVISION DATES

On CADD-generated plan sheets, a new revision date should be indicated every time a change is made to a sheet.

BRIDGE NO.											
POST MILE	GENERAL PLAN										
DISERGARD PRINTS BEARING EARLIER REVISION DA TES	→	1/3/01	1/6/01	2/08/01	2/21/01	4/17/01					

NOTE: This procedure applies during the Plans, Specification and Estimates stage only (PS&E stage). See “Late Plan Changes,” page 1-19.1, for subsequent revisions.

When all “Revision Date” boxes have been filled, retain first revision date, delete second and leave blank and change third and others as shown below:
