BART is Coming to Livermore!

We Want Your Input!

The City is hosting a series of workshops to discuss BART Station Area Planning. The workshops feature presentations and opportunities for you to share your ideas about the planning of potential BART stations in Livermore.

BART has published a Draft Program Environmental Impact Report (DPEIR) assessing nine alignment options. Community members are invited to view the DPEIR and provide comments online at www.barttolivermore.org or email info@barttolivermore.org.

For more information call 888-441-0434.

NEXT WORKSHOP

Thursday, December 10

TOPIC: Consider potential station "pairings" and design characteristics.

FINAL WORKSHOP

Thursday, January 21

TOPIC: Review and comment on visual concepts of potential station areas.

All workshops are from 6:30 p.m. to 9:30 p.m. at the:

**The Shrine Event Center
170 Lindbergh Ave.
Livermore, CA 94551-9569**
